Welcome to All Saints Trull - Summer 2024

Dear Friends,

Welcome, especially if you are new and are considering making All Saints Trull your spiritual family. We are a church family who long to know the Lord Jesus better and to make Him known to others. This card gives you the details of our sermons and services over the summer. For details of other events and more information, please look at our website www.trullchurch.org.uk

Our midweek Growth Groups, meeting in homes, offer the opportunity to dig deeper and to grow in our relationships and care for one another—and will be looking at The Romans Course recently produced by the Bible Society.

We will be holding a series of Mission events and welcoming some of our overseas Mission Partners. We will be doing lots with Trull School—including Spirituality through Play days at the end of April.

If you are new please do introduce yourself as we would love to get to know you.
Yours in Christ,

Revd Andy Wadsworth
